Ladies Night

Our Ladies Night is one of the most popular nights held here at The Institute. Ladies Night first originated back in September 2016 and has proven to be a huge success. Full with strippers, drag queens and of course, plenty of women!

This event is perfect for anyone celebrating their Hen night or just any excuse for a girl's night out.

Due to the growing popularity of this event, we suggest you book early to avoid disappointment. Have a look on our Facebook page for more details.
