VIP Hire

The Keys offers an unrivalled VIP experience with a number of different options available to suit your party's needs.

The main VIP area at the front of the club can be customised for groups of different sizes from three people upwards. For groups wanting to be closer to the action, we have a number of booths around the DJ box and dance floor. All of the areas are very popular with booths and tables a sell out weekly.

After bypassing the main queues, a hostess will meet you at the entrance to escort your group to your reserved table or booth in the club.

Our extensive bottle menu offers a range of spirits, champagnes and mixers for you to choose from and your hostess will make sure that you are well looked after, offering table service for the duration of your visit.

Your VIP table reservation includes:

- Reserved table set up for your arrival
- Queue jump entry
- Half price admission
- Designated hostess service
- Unlimited drink mixers

Contact our events team for pricing and to book your table.
