## Restaurant

The Keys Restaurant is perfect for dining, group dining and hire for any occasion.

Our aim is to provide a range of delicious seasonal menus to suit all tastes at affordable prices.

All of our menus are carefully designed by our experienced chefs. Food is sourced locally (where possible), delivered fresh & prepared in our kitchen.

At The Keys, we believe the drinks selection is just as important as the food. We serve a range of soft drinks to premium beers, spirits, cocktails, wines and champagnes to suit everyone's taste.

You can choose to dine in either the restaurant or outdoors on the terrace. The terrace is open all year round and features a heated pergola which converts to a marquee style area suitable for parties up to 60 people.
